*Knights Call is a publication of the State of

Brothers, last month I spoke about transition and the need for complacency and resistance to change to yield to a culture of change. Now I'm asking you to look around and identify those areas where your council can do a better job to attract new members while retaining current members. Do you have a fraternal benefits night annually? Do you invite the parish families to learn how the K of C can enhance and ensure their family's future? This isn't hard to do. I'll bet your membership doesn't know everything

the K of C offers to realize the vision of Fr. McGivney and the mission of the K of C. Council leadership working with their General Agent and Field Agent will make this an "easy to do". Isn't this a way to align our councils with the priorities of younger men for spiritual growth and family security?

All organizations need change to grow and ensure their continuance. What can you do to manage change in your council? Yes, manage change. All change has a purpose, a response to a demonstrated need. Do you have some activities that seem a little stale? Target these as candidates for change.

I call upon every Knight to be an agent of change and to increase in fidelity to our mission and calling. And what mission are we called to? Simply put, the Order exists to offer men the opportunity to grow in faith, engage their family in the mission, serve their parish and community, defend the dignity of human life and evangelize through action. In order to better serve our members and parishes and fulfill our mission as Knights, we need to have a well-rounded approach to the fraternal year set by the 5 key areas of Star Council and their respective goals.

Using Star Council as a roadmap for success coupled with the Faith in Action program you can realize an increase in new members and retaining existing members. A visible active council in the parish and community sends a strong message to every eligible man to ask himself "why aren't I a Knight". Your actions should give the answer, "Being a Knight gives you the opportunity to help people, change and save lives – and support our Church, Bishops and Priests at a time when they need our support more than ever".

Does this sound like a group you'd like to belong to?

Ut Prosim (that I may be of use),

*Chris Foley*

Colorado State Deputy

## A MESSAGE FROM THE STATE ADVOCATE

Brothers in Christ,

As we begin to settle into the new fraternal year, it is my goal to use the Knights Call to help all of us explore and familiarize ourselves with common questions and issues that councils are experiencing today. One would be surprised that the issue your council is experiencing is not new and, in many cases, is easily dealt with.

To begin, let us address the issue of Practical Catholicity. This is a question that that State Council gets on a fairly regular basis. Is “so&so” a Practical Catholic? “So&so” has a divorce, is this okay? “So&so” has had issue 1, 2, 3... is he a Practical Catholic?

While the above are all questions that we have received in the past, what can your Grand Knight and Advocate do to address them?

- Can the Grand Knight decide if the Knight in question is a Practical Catholic – No.
- Can the Trustees decide if the Knight in question is a Practical Catholic – No.
- Can the Advocate decide if the Knight in question is a Practical Catholic – No.
- Can the State Deputy decide if the Knight in question is a Practical Catholic – No.
- Can the State Advocate decide if the Knight in question is a Practical Catholic – No.

In the Officers Desk Reference (ODR), it very clearly talks to the issue of Practical Catholicity as it relates to Section 168.1 of the Constitution, Laws and Rules of the Order.

“Section 168.1 of the Laws of the Order provides that “[a]ny member of this Order shall, ipso facto, forfeit his membership in the Order . . . [w]ho shall fail to remain a practical Catholic in union with the Holy See.” At its meeting in San Antonio, Texas, on August 8, 2013, the Supreme Council unanimously passed a resolution, submitted by the State of Louisiana, confirming the Order’s longstanding practice of deferring to the judgment of priests and bishops to determine the practical Catholicity of members of the Knights of Columbus.

Priests and bishops, by virtue of their training and experience, understand that determining a member’s practical Catholicity is a pastoral decision that requires consideration of numerous factors. It has been the longstanding practice of the Knights of Columbus that in questions relating to a member’s practical Catholicity, Council officers recognize and defer to the judgment of appropriate ecclesiastical authorities, in most instances that of their Council Chaplain.

Accordingly, in applying Section 168.1 of the Laws of the Knights of Columbus, the Knights of Columbus will respect and defer to the judgment of priests and bishops in determining the practical Catholicity of such member.”

At the end of the day, the issue of Practical Catholicity has nothing to do with us as lay people of the church. We are not the judge and jury and we are not to judge in general. If there is an issue with a Knight’s Practical Catholicity, it will only be up to our clergy. After all, who are we to judge another’s ability to be in communion with the Holy See? This is a question that can only be answered by our clergy, not by us.

Vivat Jesus,  
*Marc Solome*  
State Advocate

## MASTER'S KNIGHTLY NEWS

Our new fraternal year has started. Now is the time to put information provided into action. I would hope that with the information provided, it will motivate and inspire many of us to think outside the box and come together as a fraternal Order to grow councils, assemblies, districts, the state and 4th degree. Take time and evaluate your membership and involvement with the Knights. For assembly leadership, it is that time of the year to officially install your officers. Remember, do not just arbitrarily set a date and assume that there will be someone there to install your officers. Check with myself or a Marshal to see if it is logistically possible. As an example, over a recent 12 day period, I had 11 installations requested. We were able to accommodate the assemblies but it really puts a strain to cover all installations especially with the travel time involved. Every-

thing we do can be best accomplished with teamwork. Remember that we are a fraternal Order, a team, and like a "Team", it does not contain an "I" and team efforts get things done, but "I" efforts may not.

Over the years, we have seen change. There is Surge with Service now Faith in Action and on July 1st we implemented a significant visible change for the 4th Degree. Over the previous two years, we have all endured the banter back and forth as to this change, but now it is done. Now is the time that we need to pull together to be what we espouse to be in name, a Knight of Columbus. Remember as Knights, we are Catholic men who should aspire "to lead a good Catholic life, accept responsibility and train ourselves for Catholic lay leadership." As an Order we need to step up and put effort into being a team. Even in our propensity to be charitable, we are more likely to take the easy road. Instead of participating in, we donate money in lieu of being actively involved or place any effort into the task. Do not get me wrong, funds are important and they benefit programs and in some instances, it is the best solution. But it is important to be more actively involved as a team by stepping up and actively supportive. This is more important than ever with regard to Honor Guards.

June 30th has come and gone. It no longer matters the how and why change came about, it has. The choice to participate in Honor Guards is still your choice. We currently are experiencing fewer persons being available to handle Honor Guards with some assemblies being affected more than others. Reasons of each one's choice should not matter. The results of providing an Honor Guard for a parish or funeral should provide us with the impetus of coming together as Brother Knights and support each other and our church to insure that an Honor Guard is provided. Be supportive of the councils and assemblies that surround you. Unite your resources.

I realize that for many, this is an emotional issue. Two years ago when this change was implemented, many were adamant that they would never change. Others were on the fence as to their decision and as the deadline was extended, many hoped for an additional extension or other option could be reached. But obviously this has not happened. Now we can sit, complain and gripe or even be negative and hurtful to our Brothers who may have opted to make the change. What we can do is to go about doing what has not changed; supporting the sanctity of life, living out the principles of our Order by helping the needy, poor, homeless and living our Catholic faith by supporting our bishops, priests and clergy through our Catholic faith.

Being short on the size or number of Honor Guards will more than likely be an issue for a time and we will need to adjust accordingly with assemblies coming together to be Brothers and partner with one another to assist those assemblies and parishes that may desire an Honor Guard. Do not look to affix blame or sit and let our displeasure fester into such negativity that we undo the many good works of the past. Follow the principles implemented by our founder, Father Michael J. McGivney and profess our faith and love of God. Remember, even if you chose to forgo participation in Honor Guards, there are many other programs and works that exemplify the principles of our Order that can be accomplished and help both grow the Order and the Fourth Degree actively recruiting and promoting programs.

Vivat Jesus, Vivat Maria

## A MESSAGE FROM THE STATE PROGRAMS COORDINATOR

Is your council the go to for help with spirituality in your parish? With Faith In Action, we have so many programs to offer. Get with your priest and offer him your help with Faith based events. Remember we have Faith - Life - Family - Community programs in the Faith In Action directive.

I was at the 2019 Respect Life 5K put on by Council 12567 at Light of The World parish. What a great event, 267 runners/walkers raising money for the Ultrasound Initiative. They had a great kids event also, pancake breakfast, and great prizes. They had parishes and councils participate. Holy Cross 16084 had a golf tournament with 111 players, they had 5 members of the clergy play! Several councils are selling peaches for various reasons, ultrasound machines, seminarians etc. This month we have Knights of Columbus St. John the Baptist Council 14898 and Assembly 94 hosting a rummage sale for their parish. Knights of Columbus Council 10961 will be hosting their 3rd car show benefiting St Vincent De Paul. And the council at Our Lady of Loretto is hosting Boars & Brews, an evening of food, games, drink and dancing!!

I ask each of you to let me know what your council is doing each time. Please email your event, program etc. I would like to go to as many events as I can!!!

## A MESSAGE FROM THE STATE FAITH PROGRAMS DIRECTOR

Brother Knights,

Happy August! By now, your Councils should have a Programs Director reporting to your Grand Knight and a Faith Programs Director reporting to him. You should, ideally, already also have a plan in place for programs that you want to offer in coordination with your parishes and your pastors. Programs and membership work together, good programs attract Knights and good members create great programs. I am here to answer any questions you have, and there are a few programs to spotlight for this month: the Rosary Program, the Knights to Christ Spiritual Enrichment Initiative, the Silver Rose, and 40 Days for Life.

The **Rosary Program** is a great way to “*build faithful families and communities through rosary prayer.*” What better way to encourage devotion to Mary, the patroness of our Order, than to promote this kind of program. Your Council/Assembly’s key officers can order everything you need from Supreme: *the Rosary Program Kit* (#SR-Kit), the KofC Catholic Information Service’s *A Scriptural Rosary for the Family* (#319), and *Guide to Praying the Rosary* (#4772). You can find out more by contacting me or on the Supreme website: [www.kofc.org/rosary](http://www.kofc.org/rosary).

PSD Jerry O’Connor served as State Deputy from 1999-2001, and it has been during his time of service to the Knights in Colorado that the **Knights to Christ Spiritual Enrichment Initiative** was born. *Knights to Christ* is a daily prayer/meditation that every Knight, Council, Assembly, Chapter, etc can use in order to grow in their faith. There are resources to host a retreat based around the book at <http://www.knightstochrist.org/>. The objective of the retreat is to provide the opportunity for Brother Knights to share their innermost spiritual beliefs and experience. Councils should also consider giving this book at every new member’s Admission Degree ceremony. You can buy the book from the Country Store or from Amazon at: <http://bit.ly/Knights2Christ>.

The **Silver Rose** is here! A rose made of silver to honor Our Lady of Guadalupe as patroness of the Americas and of the pro-life movement is currently on its way from Canada through the United States to arrive on Mary’s Dec. 12 feast day in Monterrey, Mexico. The Silver Rose pilgrimage, sponsored by the Knights of Columbus, will come through the Colorado August 1-18. Learn more at [www.kofc.org/silverrose](http://www.kofc.org/silverrose); check out the full calendar on the Denver Catholic calendar online; read the full story here: <https://denvercatholic.org/parishes-invited-to-host-silver-rose-liturgy-in-tribute-to-mary/>.

**40 Days for Life** (<https://40daysforlife.com>) is an opportunity for your Councils to participate along the Front Range in Colorado. Take a look at the page and determine where you might be able to participate: Fort Collins, Greeley, Boulder, Littleton, Colorado Springs, and Denver. The Denver Metro Chapter is working to have three Masses during the day of Saturday October 5 outside the Denver Planned Parenthood, the only Planned Parenthood facility in the Denver metro area that performs physical abortions.

Vivat Jesus,  
*Stephen Sweeney*  
State Faith Programs Director

## SEARCHING FOR THE SPIRIT

The renewed movement within our Brotherhood to experience Christ in our lives is inspiring and rewarding. We are called to unite as Brothers in Christ by coming to terms with our own spiritual growth and experience. However, if we don't "use it; we will lose it." That's why the Colorado State Council offers each Council clear-cut guidance in conducting council retreats. Connecting with one another at a spiritual level may be the quickest way to regain lost ground spiritually; and it may be just what we need to propel us to greater inner spiritual experience. Finally, if we re-acquire Christ in a fresh and deeper way, our Brother Knights can't help but notice it and ask us "How?"

Our Knights to Christ website, [www.knightstochrist.org](http://www.knightstochrist.org), provides step-by-step instructions on how to conduct a Council retreat using our book, "Knights to Christ." These are "turnkey" instructions that are carefully explained.

The "Knights to Christ" retreat is not a guided retreat. Rather, it provides a platform for each participating Brother to share his innermost spirituality confidentially and at a deeper level. In the state of grace, we may all be saints and we each have something to share that is meaningful to another Brother. Take the initiative and look into this spiritual opportunity today.

Good Luck Brothers and let me know if you have further questions or concerns.

Next up is the Catholic Citizenship Essay Contest. The theme this year is the meaning of Virtue and how you live and embody the virtue of Charity. ## **STATE KNIGHT OF THE MONTH**

The June 2019 Colorado State Knight of the Month is Sir Knight Matt Traver of Father Francis Syrianey Council, Council No. 12567, Littleton CO.

We would like to nominate Sir Knight Brother Matt Traver as Knight of the Month for June 2019. Brother Matt has been a Knight since 2010. Brother Matt has volunteered or chaired/co-chaired most of our Council's activities and programs. Brother Matt has co-chaired our Tootsie Roll Drive for several years, working multiple shifts every weekend. He chairs the council's Food for Families program, working closely with the food pantry, especially during the collection of food boxes during Thanksgiving and Easter. Brother Matt also spearheads the "40 cans for Lent" program, encouraging Knights and Parishioners alike to donate a can of food per day during Lent. He is a regular at the parish Breakfasts and Fish Fry's, especially during pre-meal preparation and post event clean-up, when help is needed the most. Brother Matt is also co-chair for the Respect Life 5K, pounding the pavement for sponsors, while making sure all other aspects of the race are "running" smoothly. He is a mainstay at Community Sunday, helping with set-up and especially take down, sometimes single handedly, after Sunday evening mass. Brother Matt can be found twice a year walking down Kipling St., picking up trash during our bi-annual Highway Clean-up. He has also assisted moving elderly or disabled parishioners and Knights and their families.

Brother Matt has been a member of Safe Sanctuary for many years. Initially a co-captain at 8:00 am mass, he switched to captain the 5:00 pm Sunday night Safe Sanctuary team when he found out that they were in dire need of help. Brother Matt is not only dedicated to all four of the founding principles of our Order, he lives these principles every day, proving that actions are louder than words. In council circles, he is considered a "Knight's Knight".

In recognition of his outstanding efforts and involvement with our Council's programs and activities, Brother Matt is more than worthy of this award as he could win it every month. His dedication to service to others is second to none, and as such, we recognize Sir Knight Brother Matt Traver as Knight of the Month for June 2019.
