"His [Fr. McGivney] idea was to found an organization that would direct young men to work in harmony on lines laid out that would conform to the teachings and practices of the Church...if we should go back and discover what was in the mind of the founder when he was getting it in shape, it would be shown that his aim was to draw men nearer to the Church and thus make them better Christians and more useful members of the state." (Fr. WJ Slocum)

As I was preparing this article for Knights Call I came across Father Slocum's quote about Father McGivney and the Order we proudly serve today.

As we enter the month of February, the second month of the third quarter of our Fraternal Year, I've become reflective, not only on where we are and where we need to be as we drive towards the end of our Fraternal Year, but more importantly on the why.

The insight of Father Slocum connects us once again, with our founder's inspiration and vision for Catholic men and their families. As Knights, we know what Fr. McGivney and the Catholic men, families and Knights of his time were up against. Religious discrimination was rampant and Catholics were being pulled away from their faith and into a more secularized society. Today, we are experiencing similar challenges. In the last two weeks we witnessed, on some levels, not so veiled discrimination against Christians and, more specifically, Catholics, in the media's quickness to spread, without proper vetting, an allegation that a young male Catholic high school student acted inappropriately against "an innocent elderly protestor." There cannot and should not be any doubt that the media's inappropriate conduct in this specific situation was designed to set up the false narrative that this young man behaved as he did because he was Christian and Catholic; that people of faith are narrow minded and against the rights of others. You'll note, that while the media dropped the story quickly once all the facts were discovered, the preponderance of those media outlets failed to acknowledge their culpability nor apologize to the young catholic male student. The other lesson learned in this incident, and one of Father McGivney's tenants for his Order, is we must stand strong together to know and defend our faith and our Church. The young man and his peers were in Washington DC in support of the right of babies to live and not be aborted. In just the last few days, we experienced another not so veiled attack against our faith and Church. The state legislature in Denver, once again, is considering legislation to remove Columbus Day as a state holiday. They've not been successful over the last 20 plus years, but may now succeed given new composition of the state government in Colorado. The removal of Columbus Day has less to do with facts and more to do with Columbus' introduction of the Catholic faith into the places he visited.

I offer all of this to remind us that we are Father McGivney's legacy. We are Catholic men and families growing in and supporting each other in faith by putting our faith in action. Our sense of commitment and duty should lead us to invite other Catholic men and their families to join our councils. The "why"

we recruit has absolutely nothing to do with numbers and everything to do with growing in faith by helping others to also grow in their faith. Serving and glorifying God by serving our neighbor.

In the last several weeks (and really over the course of my last 18-months in office), I have received emails and phone calls from councils wanting to disband themselves. Their principle reason, we can't sustain ourselves monetarily, they are upside down on members and quit long-ago recruiting new members. They have undoubtedly lost the connectedness to Father McGivney's vision and our mission, "his aim was to draw men nearer to the Church and thus make them better Christians and more useful members of the state." As our state chaplain has reminded us, we are not just an organization that does good things, many organizations do good things; but the good things that we must do must be the face of Christ for those for whom we are doing them. Different words, but the same vision and mission as Father McGivney established 137 years ago.

My challenge to every Knight in Colorado is recruit a new Knight and family into their council every month from now until 30 Jun 2019; not to achieve numbers but to help them grow in faith, be supported in their faith and put their faith in action.

I end this month's column in honor of two great fraternal leaders in the Colorado jurisdiction who recently passed away. Past State Deputy Ron McHenry and Past State Deputy Hand Stoll. These two exceptional fraternal leaders served with distinction paving the way for the membership growth and program success the Colorado Knights of Columbus enjoy today. They were valued mentors and confidants of many of us who followed them in service as state deputy. I pray that we continue their great legacy of success and when our terms of office are completed, our legacy will be that we, like them, grew the Colorado jurisdiction in both membership growth and programs for the good of our neighbor as the face of Christ.

Your Most Humble Servant in Christ,

Jay Doherty

MESSAGE FROM THE STATE SECRETARY

Hello my Brother Knights,

Well here we are in a new year. I have several administrative actions to discuss with you. Hopefully by now you have submitted your Annual Survey of Fraternal Activity to the Supreme Council. The due date was 31 January. If you missed the date you can still submit it and I urge you to do that as this report provides extremely important data to support the Knights of Columbus status as a nonprofit organization. I ask you to complete several important actions this month. It's time to pay Per Capita, register for the 2019 State Convention, record the names of deceased Brothers and loved ones, select representatives to the Supreme Convention and elect State Officers.

I have provided no later than dates for each item due to me however I prefer that everyone send me the information as far in advance of those dates as possible. If something significant happens after you submit an item, send me an update. Sooner is better.

The **2019 Per Capita** billings were mailed on 4 January. Per Capita along with the accompanying assessments for Knights Call, Ceremonials and Supreme Convention Delegate support, is the primary source of income to the State Council. These payments allow us to conduct events such as Mid-year and Organizational meetings, support the annual convention, conduct state programs and membership activities, provide travel and lodging for ceremonial teams, produce and distribute a variety of informational and educational materials, provide on-site training sessions for council officers, and the list goes on. These bills are payable by the councils upon receipt, please submit your payment promptly. Thank you to the 65 councils who have submitted payment at the time of this writing.

State Convention Delegate Registration. The laws of the Order provide that each council in good standing shall be represented by two delegates to the state convention. The delegates must be registered with the State Secretary and properly credentialed. Please ensure that your council delegates are registered. The delegate registration form can be filed electronically using the delegate registration form that can be found on the Colorado State Council website at www.coloradokofc.org. Please register your delegates as soon as possible but no later than Wednesday, **27 March 2019**.

State Convention Attendee Registration. It is extremely important that everyone, including delegates, register to attend the State Convention. The data requested on the registration form is critical for our Convention Chairman to use in planning and coordinating with the hotel so all the activities and meals are successfully executed and you have a positive stress free and memorable convention experience. Please use the registration form that can be found on the Colorado State Council website at www.coloradokofc.org.

Necrology Registration. During the 2019 State Convention Memorial Mass, we will remember our deceased Brother Knights, their spouses, children, Chaplains and Priests who have died during the past year (since 2018 Convention State Convention). To ensure we do not miss anyone please be sure that your council files the necrology with me as the State Secretary. The form can be filed electronically using the necrology form template at www.coloradokofc.org. Please submit the forms no later than **12 April 2019**.

Supreme Convention Delegate nominations. During the 2019 State Convention, we will choose who represents Colorado at the Supreme Convention. There are two categories of delegates; insurance and associate. There are three delegates already determined by Supreme and State Council By-Laws; the State Deputy, the Immediate Past State Deputy and the State Secretary. We will accept nominations for both types and elect the required number of delegates who will represent Colorado in each category. We also maintain a list of alternate delegates (in order of votes received) in the event one of the delegates is unable to attend. The 2019 Supreme Convention will be held in Minneapolis, Minnesota during the week of 5 August. Delegates are provided a per diem and travel allowance that covers most of the required expenses. Start thinking now who in your council would make a good delegate and come to the State Convention prepared to nominate your candidate.

I look forward to receiving your prompt payments and delegate and necrology registrations and seeing you at the 2019 Colorado State Convention.

Fraternally,
Chris Foley
State Secretary

MASTER'S KNIGHTLY NEWS

I hope that your new year has begun on the right foot and your assembly is looking forward to new and exciting programs as we come to the second half of our fraternal year. What programs is your assembly wishing to pursue? Are you, as Faithful Navigator, seeking ways to encourage 4th degree participation? At the mid-year meeting 4th degree breakout session, I provided information as to the need for statuary at the Catholic chapel in the new VA hospital. I encourage each assembly to help raise the funds necessary to place basic statuary in that chapel. This is an opportunity for your assembly to participate in helping not only the Catholic chaplain at the VA hospital but to provide a place for Catholic veterans to express their faith through prayer and attend mass surrounded by the Stations of the Cross and statues of Joseph and Mary/Child. The cost of the statuary is \$7500

through Gerkens. If each assembly donated \$200, the District would raise \$10,000. This allows not only for the basic statuary but assists the Chaplain in any other items needed for the chapel. I am asking that the funds be raised by assemblies by our State Convention in April. Please step up and work towards this worthy cause. Any funds collected or to be donated for this cause should be sent to the State Charities Secretary, Sir Knight Claude Trujillo, with a notation on the check "For Catholic VA Statuary".

What else can you do to encourage and motivate your assembly? At the Bethlehem Assembly 1966, Council 7502 and the Women's Auxiliary in Northglenn in conjunction with Ed O'Shaughnessy, the State 4th Degree Membership Director, they have put together a "Night" with the "Knights". This program will be held on February 9th, Saturday, 7:00 PM at IHM church. It will feature guest speaker, Don Horn, a former NFL quarterback and a Knight of Columbus. His talk is based on the lessons he learned from Hall of Fame coach Vince Lombardi, a 4th degree Knight. It is open to all Knights, all degrees and Catholic gentlemen and wives especially 3rd Degree Knights considering the Patriotic 4th Degree. What a great way to encourage membership in our Order and participate through the ceremonies and degrees to become a Sir Knight of the 4th Degree. Ed O'Shaughnessy has provided this opportunity in the past and I want to thank him and the members of Assembly 1966, Council 7502 and the Ladies Auxiliary who have stepped up in promoting our Order and our faith. I am sure that Ed would welcome other assemblies and their respective councils and ladies auxiliaries to conduct similar programs. Please consider utilizing the tools that are available.

There are other ideas that create opportunities to expand our 4th degree programming as well as develop new. In our John H Reddin Province, the districts of Arizona and Utah have been conducting toiletry and sock drives for homeless veterans. The Utah district is working with the local VA offices in identifying veterans who are in need of assistance and helping them fill out the necessary paperwork for submission. Each of our assemblies should be out seeking ways they can help those veterans in their area that may be in need of help but like many, are too proud to ask or for some other reason they do not wish to let people know they are in need.

It is important that we grow our Order and 4th Degree. We have three (3) 4th degree exemplifications scheduled February through June, 2019 and we have one requested for October, 2019, that I am awaiting approval from Supreme. We have simplified the 4th degree exemplification registration process over the years and the members of the Master's Advisory Team can assist any assembly by the necessary information to host a 4th degree. Please consider hosting a 4th degree and even if you cannot host, at least actively pursue the recruitment of 3rd degree members from your assembly's associated councils to bring to the upcoming 4th degrees.

I am excited to look to our future in Colorado as we move forward and I would encourage assemblies to help with this process and provide input and suggestions for ideas that can assist in generating new life into the 4th degree. Continue to look to expand the visibility of programming and active participation in membership recruitment. Help to grow the 4th degree in Colorado and the Order.

MESSAGE FROM THE MEMBERSHIP COORDINATOR

Dear Brothers,

I am very blessed to tell you that we are honoring our Religious in the State of Colorado in a visible way with a new membership initiative. All new Knights joining the order between January 1st and June 30th, 2019 will be dedicated in Honor of our State Chaplain, Fr. John Stearns, our Bishops, and any local religious of your Council's choice.

Your Council can help honor our Religious, who are defenders against the evil one, by recruiting new members in their honor. Please get the word out that in the State of Colorado, we are not recruiting to increase our numbers as Knights. We are inviting men to join our beloved Order to strengthen our Faith and support our Religious in Colorado. I hope that all Councils will embrace this new incentive and dedicate all new members to our beloved Religious of Colorado. Your District Deputy will have information about a special certificate that your Council will be able to present to your new members.

Thank you all for all that you do for the Knights of Columbus, your parish, and your community. Inviting a man to join the Knights will change his life for the better. Remember that every Council event is an opportunity to recruit new members.

ATTRACT, RECRUIT, INVOLVE, RETAIN...A Knight for Life!

2019 Colorado State Convention

Is Off And Running!

Online Registration for 2019 Colorado Knights of Columbus State Convention is now open. If you know you are coming to the convention, I highly encourage you to register as soon as possible. All registration forms are available online by clicking the "State Convention" link on the Colorado Knights of Columbus State Council website homepage (<http://www.coloradokofc.org>).

The 2019 Colorado Knights of Columbus State Convention will be held from 25 to 28 April 2019 at the Hyatt Regency (Denver Tech Center), 7800 East Tufts Avenue, Denver CO 80237. This hotel is the same one where we held our 2018 State Convention and Organization & Mid-Year Meetings. Their guest rooms offer breathtaking views of Downtown Denver and the Rocky Mountains. The rooms all feature upscale beds and bedding along with spacious sitting areas. The facility is compact making it extremely easy to get from rooms to meetings, meals, and Masses.

I ask all Grand Knights to put Delegate selection on their February meeting agendas, then submit them timely using the online Delegate Registration form under the State Convention link. This will help avoid any last minute issues that may arise. Encourage your delegates to complete their convention registration timely also. As a reminder, every convention attendee and/or delegate must register as an attendee (where you pay your registration fee, buy your meals and reserve your hotel room) and, if they are your council delegates, as delegate too. Both registrations will be under the 2019 State Convention link on the Colorado K of C State Home Page. District Deputies - please reinforce this at your District meetings. Through our State District Deputy Coordinator (Jake Jakubowski), we will be sending weekly updates to your District Deputy to allow him to help with any registration needs.

The State Convention is an exciting and fun time for all brother Knights. The 2019 Convention is shaping up to be better than ever. Your participation is what makes this annual event a success. Support the priests across the state by attending the Clergy Appreciation Dinner on Thursday. Share the joy and enrichment of bringing your family to the State Banquet. Child care & dinner is available for this event on Friday evening.

Remember...this is your convention. Join in making 2019 the best year ever!!

See You in late April at the Hyatt Regency (DTC)...

Colorado State Council Knights of Columbus

Subject: Councils & Assemblies Support of 2019 State Convention Clergy Appreciation Dinner

Dear Brothers and Sir Knights in Christ:

On 25 April 2019 (Thursday), we are honoring our Clergy and Religious (i.e., Priests, Deacons & their spouses, Monks & Brothers, and Nuns & Sisters) at the 2019 Colorado Knights of Columbus State Convention's Clergy Appreciation Dinner. This special dinner will be held on Thursday evening, following the Convention's 5:00 pm Opening Mass at the Hyatt Regency (Denver Tech Center) located at 7800 East Tufts Avenue, Denver, Colorado 80237.

The Knights traditionally contribute toward the costs of our Priests, Deacons & their spouses, Monks & Brothers, and Nuns & Sisters. Your contributions and support are essential and most appreciated to insure the success and enjoyment for all those that are so deserving of recognition and acknowledgement as dedicated servants of Christ.

Your **\$51.00** gift for each Clergy and Religious attendee from your parishes would be greatly appreciated. Also, any contribution toward the cost of Clergy and Religious who are not associated with any Parish would be additionally appreciated. Please find it in your heart to sponsor as many of the Clergy as you believe is appropriate.

THERE ARE TWO CONVENIENT OPTIONS TO SUPPORT OUR CLERGY:

VIA INTERNET: THERE IS AN ENTRY ON THE STATE COUNCIL WEBSITE <http://www.coloradokofc.org/> under the 2019 State Convention link to show your contributive support, BY ORDERING "ADDITIONAL DINNERS". This, in effect, illustrates your gracious kindness in support of all the Clergy and Religious.

When registering under the "COLORADO STATE CONVENTION REGISTRATION FORM" for convention attendance and meal selection, you may add additional dinners for the Clergy Appreciation Dinner to cover any Clergy or Religious of your selection, or others.

VIA CHECK: If you choose your gift by check, please indicate “Clergy Appreciation” in the subject [or “For”] line. Please make the check payable to “2019 K of C State Convention” and mail it to our **State Convention Coordinator Craig Martin, 9240 Lizmoor Court, Colorado Springs CO 80920.**

We are attempting to send invitation to all our Active & Retired State Clergy and Religious. However, we greatly appreciate your contacting your Clergy & Religious and extend your warmest welcome for their attendance. Please ask them to RSVP online at their earliest convenience at the Colorado State Council Homepage <http://www.coloradokofc.org> clicking on 2019 State Convention link, and, then click on the **CLERGY APPRECIATION RSVP FORM.**

Please be cognizant that everyone is welcome, i.e., all your Council Members and their guests. We have provided a gracious dinner for a very reasonable price to all our Knights and their respective guests.

If you have any questions, please contact either Tim Knutson (719-661-3386 or Timbuk3@msn.com), or Craig Martin (719-331-6406 or co.kofc.convention@gmail.com).

We look forward to a wonderful evening honoring and celebrating all our Priests, Deacons & their spouses, Monks & Brothers, and Nuns & Sisters.

“We serve for God’s Glory and our Neighbor’s good”
