Happy New Fraternal Year My Brothers, I am excited to be on this journey with you. Again, thank you for your confidence in me to serve as your State Deputy. I would like to recap some of the items covered at our Organizational Meeting in Colorado Springs. Let me begin with our logo. It was, in itself, a journey for me to settle on the image as well as the wording. Basically, it contains a bit of the spirit of every State Deputy I have had the privilege to serve from Jim Conlan to Jay Doherty. It also recognizes the presence and unifying influence of the Holy Spirit in the decisions and workings of the State Council.

The lessons they imparted through their logos have shaped how I will lead. They have shared with us the desire to be peacemakers, devotees of Mary, receivers of the Holy Spirit, champions of the family and shepherds of each other. It is time for us to take those lessons and put them into action and trust the guidance of the Holy Spirit, thus the two imperative statements; Journey with the Spirit, Spread the Gospel by words and works.

My Brothers, we are in a period of transition, not just in our State but in the Order worldwide. We must face the realities and challenges of being a Catholic men's organization. Membership has been declining over the past few years, we have an unclear identity, many of our Clergy as well as members and prospects don't know our programs or the full extent of what we can do and men under 40 years of age don't see our relevance to their needs. We must evaluate these conditions, adapt and overcome. This means change.

We must undergo a culture change in order to attract and keep members. We must offer new and different programs to attract younger family and faith seeking men. Studies show that men under 40 want to join organizations that share their priorities. I ask all leaders to recognize the need for change and that complacency and resistance to change must give way to a culture of change. I call upon all Knights to be the change we need. How do we start? Oddly enough we must go backwards in time to 1882 and review the reason Fr. McGivney started the Order. What was his vision? What is our mission?

One key change strategy is to fully implement the mission-centric model of Faith in Action which is designed to offer men/members and their families the opportunity to: grow in their faith, engage their families in mission, serve their parish and community, defend the dignity of human life and evangelize through action.

Let me close by saying, we are Knights of Unity, we are in this together. United in action to reverse the decline in membership and enrich our members and families will bring new life to all councils. Don't let the words of our ceremonials be silent, give them life through your actions. Imitate the Apostles, walk the road of faith knowing the Spirit is with you.

Ut Prosim (that I may be of use),

Chris Foley

Colorado State Deputy

A MESSAGE FROM THE STATE ADVOCATE

As we begin to settle into a new fraternal year and our roles as newly elected, re-elected, appointed or re-appointed council, district and state officers, we've discovered our positions bestow on us certain specific authorities and duties. We are fully vested, through the Laws and Rules of the Order and council and state bylaws, with the power to exercise the authorities of our respective offices. How we use that authority to guide, direct, mentor and serve those Knights and families who willingly follow us will testify to our ability as leaders.

Much has been written about leadership and of those whom we perceive or recognize as great leaders. There are many traits of leadership, such as: honesty, competence, humility and courage to name a few. Leadership, like being a parent, isn't about being a friend, popular or even being well-liked. It's about mutual respect and more importantly, service to those entrusted to our care.

Jesus calls us to be servant-leaders. Father McGivney, our venerable founder, left us the legacy on how to be a servant-leader. His legacy to us is principles of fraternalism with the challenge to live these principles in service to God and neighbor every day of our lives. The principles of: Charity, Unity and Fraternity embody every principle of leadership ever written and provide the simple prescription of how to serve others.

As newly or re-installed Grand Knights and Advocates, I encourage each of you to study. Study the Laws and Rules of the Order, your local council by-laws, home corporations guidelines from Supreme (if applicable), Robert's Rules of Order and Safe Environment. What do the Laws and Rules mean? What obligations do they impose? Are there exceptions to the laws and rules and under what conditions? What are our duties under the laws and rules?

As Knights, we are called to dutifully uphold the laws and rules of our Order and the tenants of our faith. The Order's principles of charity, unity, and fraternity should always guide the exercise of our authority. These three principles underlie the laws of the Order and presuppose that all members of the Knights of Columbus, as Catholic gentlemen, will follow these fundamental principles. Unfortunately, at times, we are called to deal with issues relating to behavior that is inconsistent with the principles of the Knights of Columbus and the teachings of our church. Our approach should be to privately and informally talk to the individual member in person and, with a charitable spirit, discuss the matter and provide advice and counsel. If this proves ineffective, our next step should be to address the matter at the local council level, then at the state council level, and only then at the Supreme Council. Officers should be able to resolve the vast majority of issues and problems by speaking directly with the Brother Knight or by working with the Brother Knight's Grand Knight and/or chaplain. Officers should be a calming influence against the rash judgments of those whose first impulse may be to disregard the principle of due process and summarily suspend and expel a member from the Order without affording their Brother Knight an opportunity to offer an explanation or to clear up any misunderstanding or to otherwise resolve an issue in private. Officers should not resort to formal disciplinary action unless and until all other reasonable attempts to resolve a situation have been exhausted. Never hesitate to contact the State Deputy of myself with any questions.

Vivat Jesus,
Marc Solome
State Advocate

MASTER'S KNIGHTLY NEWS

As we close out this fraternal year, we continue to move forward and expand. We have officially brought in a 2nd new assembly this fraternal year. The members of the Cortez Council 4209 have put together an assembly out of their council and we now have the Bishop Arthur N Tafoya Assembly 3818 under the leadership of newly elected Charter Faithful Navigator Sir Knight Leroy Roberts. Please help me in congratulating these men and assist them in any way you can to help them on the road to strong future and great success.

On Friday, June 7th, I had the honor and privilege to present a check to the Director of the Chaplaincy Program at the new VA hospital in Aurora for the cost of the statuary for the Catholic chapel. What a great facility for our veterans and now a more conducive atmosphere will be experienced by our veterans in the Catholic chapel. We were also given a tour of the facility and were amazed at such a state of the art facility. The state of the art equipment extends to areas of spinal injuries and mental health while providing the veteran with care and assistance. I would encourage those Knights who are able to volunteer some time at the facility. Contact our Sir Knight John Alfeld, 720-878-5723 or johna70@cpines.net. The network of VA facilities is always looking for volunteers besides in the Denver metro area, Colorado Springs and especially Pueblo.

In my last article I had nothing definitive as to the deadline for the old regalia. As many of you know from my last copies of Supreme memos, I do now. The old regalia, as of midnight June 30, 2019, wearing of the old regalia comes to an end. I will be providing information at the Organizational meeting 4th degree breakout session concerning procedures, rules and operational guidelines for FN's, CCC's and Marshals. If you are in one of these positions, please try to attend the session. If you cannot make it, please send someone in your place. A short synopsis of the guidelines includes:

1. Honor Guards for official functions are in the new uniform only.
2. Utilizing 4th degree members in tuxedos with either social baldrics or service baldrics and swords for Honor Guards are not permitted. Only new uniforms for Honor Guards.
3. No authorized use for old regalia.
4. First offense for wearing old regalia is denied participation in event and a written warning. Copies to Master and on file at assembly.
5. Second offense is denied participation in event, denied participation in any Honor Guard for remainder of fraternal year, written warning. Copies to Supreme, VSM, Master and on file at assembly.
6. Third and subsequent violations subject to summary suspension.

I realize that this is a very emotional time and the time of the change is upon us. Whether we like it or not, each of us has had a two year period to come to a decision. During that time, other than many unsubstantiated rumors, Supreme did not indicate that there would possibly be another extension and the plan was for a deadline of June 30, 2019. We will probably be a little short on the size of Honor Guards for some time, but I would encourage assemblies to partner up and assist those parishes who may want an Honor Guard but their assembly is unable to field an adequate group. Practice the principle of Unity and work together. Though this change seems huge to some, it is cosmetic in nature as nothing has changed in the substance of our Order and the principles for which it stands.

A MESSAGE FROM THE STATE PROGRAMS COORDINATOR

Happy New Year!!!!!! July is always an exciting time for us Knights. A new fiscal year is upon us all. A time to look ahead and plan what great events and programs your council will be doing. Is this the year your council will try a new program, plan a new event, change the way you have done programs in the past? As your council goes over all the programs that are part of the Faith in Action program, plan on doing 10% more this year. Try a new program, plan a new event. Let's do 10% more in volunteer hours and 10% more in charitable donations.

As your council plan for its activities, please make sure you include the Programs team in your communications. We would love to help promote your activity through the State's social media platforms. We would love to attend your activity also!

With the summer months upon us, there are many events going on for us to be involved in.

- Special Olympics
- Retreats
- Habitat for Humanity
- Helping Hands
- Summer youth events in your parish
- Your parish Bazaar

And that's just the beginning, be creative with your activities. Involve the family, that's your family and your parish family. Invite a group in your parish to help with your activity, invite some men to help out. Everything your council does is a recruiting and retention tool!!

When you are planning your activity don't forget to put Jesus in your activity. Fr John, our State Chaplain, has challenged us to make sure we put Jesus in what we do. Which helps us to follow our State Deputy's theme...

Journey with the Spirit
Spread the Gospel by words and works

As I start the new year as Programs Coordinator, I must thank Bob Nellans for the great job he has done for the State with leading Programs and showing me the way.

Should you have any questions, comments, or to just let us know about your program, below is the new Programs Team for 2019-2020.

Vivat Jesus,
Clark Musser

A MESSAGE FROM THE STATE FAITH PROGRAMS DIRECTOR

Brother Knights,

The Faith in Action Guidebook (Form 10627 for your GK or FS to order a copy) explains the Faith program area, "Our goal is to strengthen our men and their families in the faith." Anyone who attended the State Organizational meeting at the Antlers Hotel in Colorado Springs on 28-30 June saw this faith talked about at length by State Officers, the State Chaplain, and Bishop Sheridan in his homily. The Knights of Columbus is a Catholic fraternal service organization (note that Catholic comes first in the description).

This article is meant to be a welcome to the new fraternal year. Looking ahead, what are your Council plans to offer faith-based programs? I would love to hear from you about your successes and failures; we learn from both. Reach out to me or any of the State Faith Programs Team with questions about specific programs or with general questions.

The following are Supreme suggested/featured/required programs in the area of Faith.

Spiritual Reflection Program (Required)	RSVP (Featured)	Into the Breach	Marian Icon Prayer Program
--	-----------------	-----------------	----------------------------

Building the Domestic Church Kiosk	Rosary Program	Sacramental Gifts	Holy Hour
---------------------------------------	----------------	-------------------	-----------

McGivney Guild

With a lot of overlap between Supreme and our State, Colorado has offerings in the Faith Program area as well. These are the programs and the individuals overseeing those programs on a State level; as I've mentioned, feel free to contact them or myself with questions/feedback/etc.

Icon Program (JR White)	Keep Christ in Christmas Cards (John Eiler)	Seminarian Support (James Jost)	Keep Christ in Christmas Poster Contest (John Eiler)
-------------------------	---	------------------------------------	--

Other Faith Programs that you might consider as you are mapping out this new fraternal year might include, but are certainly not limited to, the items on this short list.

- Men's Conference(s)
- Attend a Eucharistic Congress
- Conduct a Communion Breakfast
- Conduct a program to recognize the Clergy and/or Religious in the Council area
- Conduct a monthly recitation of at least one decade of the rosary at a Council meeting
- Furnish pall bearers on an 'on-call' basis
- Sponsor a fund raiser project or provide event honor guards for a parochial school
- Sponsor your Chaplain to the State Convention
- Contribute to a faith-based organization (like the Institute for Priestly Formation, as only one example).

Vivat Jesus,
Stephen Sweeney
State Faith Programs Director

A MESSAGE FROM THE PUBLIC RELATIONS CHAIRMAN

Brother Knights,

I have the pleasure of serving the State Council this year as the Public Relations Chairman. The mission of this position is twofold: to create brand awareness for the Knights of Columbus in our local communities through local media and to recruit members in our local communities. We are able to accomplish some of this work through our email blast software, where we currently have about 2400 email addresses. With more than 18,000 Knights in the State, I feel confident we are not reaching everyone. Please send me, with permission of course, email addresses of Council leaders and members who would benefit by receiving State information. Also, I want to mention our good work on social media. The State Organizational Meeting spotlighted how well some of our Councils are doing at publicizing the good works we do.

Secondly, A video has recently been released as a part of the "Safe Environment Program." The video shares the story of a child who has been sexually assaulted by a close family-friend, while also containing a psychologist component. The video is unique in the sense that the husband and wife are on camera sharing their story. As fathers, husbands, and Knights of Columbus, it's our responsible to protect our children. You can view it for free at www.kofc.org/safe

Finally, the corporate communications team at Supreme has hired a branding agency to help consider a "brand refresh." They're looking forward to hearing our thoughts on how to present the Knights' brand both externally and internally to help people understand our unique organization. This branding agency will not only tell us how to market ourselves to recruit members, but also how to help on the asset advisory level. At the Supreme Convention in August, a video will be presented regarding what this brand update will look like. Important note: The Knights are not changing our emblem or values. They are also undergoing a change to the Supreme website. This will take off just as they launch the brand refresh. It will have a much more modern and fresh appearance.

Vivat Jesus,
Stephen Sweeney
Public Relations Chairman

When St. Louis Parish's Pastor and Council 14443's Chaplin (Fr. William Jungmann) retired, Knights of Columbus Council 14443 hosted Receptions following all four Masses. The events were attended by about 200 parishioners in Kline Hall, where 14443 has held its meetings, on the first Thursday, since 2008.

Charlie Gardea has been serving on the Southeast Region Games Organizing Committee for three years. Not only does Charlie give his time by helping plan and execute the tournaments, but he also recruits volunteers, and he makes it a point to get donations to various local businesses, organizations, councils, and legions. Charlie works at Home Depot and has brought in various donations for needed equipment. Since Charlie has joined the Games Organizing Committee, Home Depot has been a beneficial in-kind sponsor for the Southeast Region. Charlie is also a proud member of the Knights of Columbus and the American Legion!

In Charlie's own words "To see a happy face or a genuine smile is pleasure enough to know what little I did gave someone some type of happiness ... as well as giving something back to the community."

Says SOCO Southeast Regional Manager Michelle Pewters of Charlie, "He is one of the most caring, dedicated and loyal individuals." He is soon moving to Fort-Worth Texas where he will continue to volunteer for Special Olympics Texas.

Thank you for all that you have done for SOCO, Charlie!

STATE KNIGHT OF THE MONTH

The May 2019 Colorado State Knight of the Month is Sir Knight Joseph Byrne of Saint Joseph the Worker Council, Council No. 13099, Colorado Springs CO.

Joseph S. Byrne is an active and enthusiastic member of our council. From day-one, that is 31, August 2007, when he joined and became a first-degree Knight. He quickly ascended to 4th degree and his contributions to this council have had a significant and positive impact. Joe is highly esteemed by all members of our council, St. Joseph the Worker. Joe is a former Grand Knight and during his two-year tenure, membership increased and the Insurance quotas surpassed the requirements established by both the State of Colorado and Supreme headquarters in Connecticut. Joe is a trailblazer. He has served as 1st, 2nd, and third year trustee. He has additionally served as Council Treasure and Finance Secretary. He never walks away from volunteering his time and wise counsel. Needless to say, Joe participates actively in all our Councils, first and second-degree Exemplifications. He thoroughly interviews potential candidates for proper qualifications. He actively participates in all our council breakfasts, Spaghetti dinners, Parish Picnics, Lent soup dinners, Lent Fish fries, the Stations of the Cross, and Sunday Rosaries with the Rosary Society. Joe is solid member. He is knowledgeable of the By-Laws of the KOC organization and its rich history. He consistently attends both the Officers and Business meetings. He also, when required though not often, will chime in when the debate is going off topic. Joe Byrne is a devout Catholic, and a friend to all.
