*Knights Call is a publication of the State of

*"As the Father loves me, so I also love you, remain in my love. If you keep my commandments, you will remain in my love, just as I have kept my Father's commandments and remain in his love...this is my command, love one another as I have loved you." (Jn 15: 9-12).*

Brothers, this edition of Knights Call is, of course, my last not only as your state deputy, but as an elected state officer. Cindy, our family and I are eternally grateful for the tremendous opportunity you provided us these last 10-years to serve, for and with you, not

only as a state officer, but as your state deputy. Over the course of the last two-years, together, we've added four new councils into our great Order. The most recent is St. Maron Council at the parish of St. Raftka in Lakewood. We are very proud to welcome the new Knights and families of St. Maron council. Additionally, when the final dust settles, we will have added over 1500 new Knights and families into our Order from 1 July 2017 through 30 June 2019. While short of our goals, we can be proud of our efforts in initiating these new Knights and their families who are now bringing new energy into our councils and parishes. We can also be proud of the efficient and effective way we implemented the new e-membership and the Faith in Action programs. Our councils embraced these new Supreme Council initiatives and responded with great skill in making both initiatives successful in the State of Colorado. While I can go on with a litany of what we've been able to achieve together, I will leave the examples to those which I've already cited.

We have just under a month left in the fraternal year and I'm asking you not to slow down. Continue to complete your programs under the Faith in Action program; continue to file the necessary forms to qualify your councils for the awards they have so honorably earned; and continue to recruit new men and their families into our Order. Please do not hold back new members from joining our Order until after July 1st. Initiate them now or encourage them to join under the e-membership program and initiate them expeditiously in the new year. Why?

I've emphasized this before. Membership in our Order is different than membership in any other organization. Charity, the first principle of the Order, is the very foundational tenet of our faith. Charity is the call to love God and our neighbor, not just in what we say, but through the good works that we do. Over the last two-years, we've seen the real reach and power of our organization's commitment to God and neighbor. In the aftermath of several hurricanes and other natural disasters, the Knights of Columbus were on the ground providing for those in need. Those councils and Knights who were not on the ground provided millions of dollars in charitable contributions so that our brothers could provide additional help to the victims of these devastating natural disasters. I am proud that our councils and the Knights in our great state not only support all these global-wide initiatives; but also, directly served those in need in our parishes and communities through our many local programs.

We are the love that Christ is speaking of in the verses in John quoted above. Our Order and councils provide tremendous opportunities for men and their families to grow in their Catholic faith by growing in love of God and neighbor.

The verse that follows Christ's call to love one another as he has loved us, is this, "No one has greater love than this, to lay down one's life for his friends." We experienced, just over a month ago, the tremendous love that Brother Kendrick Castillo had for his friends when he charged one of the gunmen at the STEM school shooting in Highlands Ranch, giving his life for his friends. This young man, with the heart of Christ, wanted to be a Knight of Columbus. He was just three days shy of joining our Order and fulfilling his dream when he sacrificed himself so that his friends might live. We made him a Knight posthumously and properly honored his sacrifice with some of the largest 4th degree honor guards ever fielded, about 40 Knights in regalia (Old and new) at his Vigil service and 85 or more at his funeral. A great tribute to a young man who loved his friends and neighbors so much he gave his life for them. What a great model of the principles of our great Order: Charity, Unity and Fraternity.

There are many who want to be members of the Knights of Columbus and are waiting for us to invite them to join. All we need to do is ask them. Finally, let's close the year with the best recruiting month we've posted in the last two-years to properly honor our Bishops, State Chaplain Fr. John Stearns, priests, deacons and religious.

Your Most Humble Servant in Christ,

*Jay J. Doherty*

## MASTER'S KNIGHTLY NEWS

We are continuing to move forward in the 4th degree as we have officially brought in a new assembly. The members of the Andrew Phu Yen Council 16349 have put together an assembly out of their council and we now have the St Toma Thien Assembly 3814 under the leadership of newly elected Charter Faithful Navigator Sir Knight Viet Hua. Please help me in congratulating these men and assist them in any way you can to help them on the road to success. I look forward to working with these Sir Knights in furthering our Order and 4th Degree.

I have had a number of inquiries as to the status of the old regalia and new uniform. As of this writing there have been no changes or further direction from Supreme and the cutoff date remains as June 30, 2019 which will be the last day for the old regalia. How that is to be implemented has not been provided to the Vice

Supreme Master or District Masters. I would remind everyone that this is an individual decision for each Sir Knight. Do not take it lightly. It is your individual decision and each Sir Knight should not feel intimidated by either side of this issue to purchase or not purchase the new uniform. I realize there are those with strong opinions but they are just that, an individual's opinion. Whether you agree or not, is up to the individual and they should not feel intimidated by any Knight who may disagree with their decision.

That being said, under the new drill manual, it reads that 4th degree members are entitled to an Honor Guard and any Knight in good standing can be provided an Honor Guard if requested by the family. This also applies to their immediate family. With Honor Guards being provided to Knights other than 4th degree Sir Knights, assemblies may think of partnering with their assigned councils and creating a budgetary line item to assist assembly members with the cost of the new uniform. Dependent on financial abilities of councils and assemblies would determine what that subsidized amount would be, how it would be implemented and any participation requirements, if any. Just a thought.

Finally, the new uniform and proper wearing of it is outlined in the new Drill Manual. If you do not have one, it is on line on the Supreme website and locally, on the Colorado State website on the 4th degree webpage on that site. The Drill Manual has been on the site for some time but like most things, there are those that still may not know or they have not taken the time to review its content. I am going to list a few items that seem to be misunderstood or assumed that it was a certain way under the old drill manual and it must be right.

1. There is one pin, the 4th degree pin PG113 which is the only pin authorized with the new uniform. No flag pin is authorized on the new uniform.
2. Social baldrics are still authorized when either in a tuxedo or dark suit (black, dark gray or blue). They are not to be worn with the new uniform. The only baldric worn with the new uniform is the service baldric when performing as an Honor Guard.
3. The beret should be worn so that it folds over the right side of the wearer's head and should touch the top of the ear or thereabouts. The easiest way to center the beret is to take the cut area in the rear and place it in the center of the back of the head. This will place the pin to left side of the wearer's head and everyone will be uniform.
4. The tails from the adjustment strap, once tied and secured, should be tucked back into the slot where it originated. You could cut them off but if you need to readjust the fit after wearing for some time, you may not be able.
5. No name tags are worn with the new uniform. No additional pins are worn except for the miniature medals earned by the wearer and a current jewel of office if applicable. Jewels are worn in a specific order with the highest office held closest to the wearer. They are illustrated in the Drill Manual.

Finally, I would like to personally thank all the Sir Knights and Brother Knights who participated in some way or another for the services for Kendrick Castillo. I had the opportunity to participate at the services held on May 15th and saw firsthand what an amazing young man Kendrick was. He truly exemplified what a Catholic gentleman and Knight should be as he gave of himself daily in everything he did. The world truly lost a gentle soul and Catholic gentleman. May he rest in peace and may God bring comfort and peace to his family.

Vivat Jesus, Vivat Maria

## **STATE KNIGHT OF THE MONTH**

The April, 2019 Colorado State Knight of the Month is Sir Knight Craig Martin of Saint Gabriel the Archangel Council, Council No. 12335, Colorado Springs CO.

Craig was the 2019 State Convention chair which culminated a full year worth of effort in the execution of an outstanding event in April 2019. Craig brought everything and everyone together in April by finalizing the convention program, getting it printed, printing all the meal tickets and registration packets. Then, he coordinated a group of 12 Knights from the council to fill over 400 registration packets with the appropriate name tags and meal tickets along with filling the specially prepared bags with convention supplies to be handed to all the participants. Craig provided out of his own funds a full meal and drinks for the Knights who assisted. Craig coordinated over \$50,000 in meals and beverages for the entire convention and fixed issues real time with the 425 room nights at the hotel. Craig completed registrations for Knights and their spouses, to include making customized name tags during the convention for those who did not complete the registration in advance which allowed those Knights who were council delegates to successfully complete their voting duties. Craig's attention to detail made the entire event go smoothly which even included last minute adding hotel rooms and he even drove to the Denver airport to pick up a visiting Bishop when no one else was able to make it happen.

After the April Officers Meeting Craig volunteer to reserve the 150 person pavilion at the Air Force Academy for the Councils Annual picnic and Officers Installation. Craig regularly attends the Deacons, bi-weekly meeting and acting as Council liaison officer he briefs the Councils Schedule and takes the Parish's and our Priest request for Knight assistance which is coordinated on during the following Knight's meeting.

Craig is 73 years old and has been a member for 31 years.
