"For the vision still has its time...". When I heard and read this line from the Prophet Habakkuk at Mass this past weekend, it reminded me of the vision of our founder Fr. McGivney. That vision is still alive and vibrant in today's society. Even though we are changing our promotion and branding efforts we are not changing who we are. Who are we, what is the vision?

In October 1881, a 27 year old Priest held a meeting with the men of his parish and crafted a new Catholic organization as described in, Parish Priest, Father Michael McGivney and American Catholicism, as "a group that was benevolent, fraternal, and soundly religious." His primary reasons were to get men, young men, back active in the faith and create a support structure for families that lost income when the head of the family died. But you know this. Our challenge today is to regain that spirit and fervor that pushed our organization, in six months, from a meeting in October to a legally recognized entity on March 29, 1882. Colorado Council #539 was established in November 1900, just 19 years after the meeting at St Mary's in New Haven.

But how? By changing how we promote ourselves to the dwindling numbers of young men we see in our parishes. We must go out and meet them where they are in the electronic forum that is familiar to them. The Knights of Columbus launched the online membership program about two years ago to give us a tool to reach the young men we do not encounter in person. It can also be used with the young men we encounter at Church. Along with the online membership, the traditional methods of membership drives, or commonly called Church Drives, are still an important part of getting our message out to every man in the pew next to us. The Church Drive method has been revised and is now called the Delta Church Drive and incorporates the online sign up (kofc.org/joinus) as well as keeping the traditional Form 100 method available for use. More information about both programs, Online Membership and Delta Church Drives, will be available at the upcoming Mid-Year Meeting, 6 - 8 December.

In the meantime, how are you promoting the Order? Do you use the long-used phrase, "We are a Catholic, Family, Fraternal, Service Organization?" Or do you use a personal story, sharing your reason to be a Knight? The personal touch is still the best way to engage a man and invite him to join you as a brother in your council. Young men today want short concise packages of data to process and evaluate, but guess what, so do older fathers who have kids going in six different ways at once and he

and his wife need to keep the family on schedule. A short “sound bite” from you along with the online membership web address is about all the time you may get on first encounter, make it productive. Develop, rehearse, refine and deliver a good “teaser” to complete the initial contact. So where do you get the teaser? First and best is yourself, your experience as a Knight then, use a few prepared by the Supreme Council such as: “We are Catholic men building a bridge back to faith”, “We come from many places. And backgrounds. And stages in our lives. But we are all of one faith. A fraternity of men striving to better ourselves and our world”.

That is who we are and that is who Father McGivney and the men of his parish were. We share the same vision of benevolence, fraternity and religiousness, and NOW.

Ut Prosim,
Chris Foley
Colorado State Deputy

STATE OFFICER MEETINGS

- The State Officers and Coordinators meet on the third Saturday of each month to conduct the business of the State Council. These meetings are open to all interested Knights.
- Local councils are requested to avoid scheduling events that require State Officer participation on that day.
- There is no set location for these meetings. Local councils, districts and chapters are encouraged to host one of the meetings to allow Knights in their areas to experience the work of the State Council.
- On occasion, these meetings are conducted by conference call.
- Anyone interested in attending or hosting a meeting should contact the Executive Secretary at co.kofc.exec@gmail.com

A MESSAGE FROM THE STATE ADVOCATE

Brothers in Christ,

With fall and winter activities coming up and so many activities inside and outside of our parishes, we must make sure that each of our councils has the proper insurance to cover us, the facilities we are in and the participants at those events.

The Supreme Council of the Knights of Columbus does not provide insurance for local councils as it is the responsibility of each council to arrange for its own insurance coverage and to maintain records of the same. It is critical that you know your council's coverage limits and that you make sure that it adheres to the specifications mandated by the diocese you are in. Coverage must meet the local Diocese liability requirements:

- Diocese of Colorado Springs – \$2,000,000
- Diocese of Pueblo – \$1,000,000
- Archdiocese of Denver – \$1,000,000

The Supreme Council does have a contract with Lockton Affinity. Councils may contact them at 1-800-496-0288 or go online at councilinsuranceprogram.com for a free, no-obligation quote.

- Lockton Affinity LLC offers:
- Property
- Liability
- Hired and Non-Owned Auto
- Liquor Liability
- Business Auto
- Crime Coverage
- Special Events Coverage
- Umbrella Liability

If your council already has a policy at the mandated minimum amount listed above in your diocese, great! If it does not, please get it corrected ASAP. If you have any further questions and/or would like to review this in more detail, please do not hesitate to contact me.

MASTER'S KNIGHTLY NEWS

My recent articles have primarily dealt with the topics of new regalia and promoting assembly's being involved in programs particularly in support of services for veterans. That has included fund raising for statuary in the Catholic chapel at the VA hospital in Aurora and more recently the co-sponsored event of the Archdiocese of Denver and the Colorado Freedom Memorial of the "In God We Trust" event returning veterans to the faith. Because the overall response has been relatively weak as to our involvement, I thought that I would provide my evaluation and opinion of a possible cause and effect.

A call was directed to Knights and assemblies to step up by a monetary donation or volunteering time at these events to make them a success. We were able to reach the goal for the funds needed for the statuary but to be honest, if it were not for a relatively few assemblies, particularly the Grand Junction assembly, I am not sure we would have been successful. Only about 20% of our assemblies participated. By the time that this edition of the Knights Call is out, we shall see the results of the request for volunteers for the In God We Trust event has equally fallen on deaf ears. One particular request was to have a few assemblies join up together to fund providing the food for the event. Just recently, if it was not for the St Joseph Assembly out of Castle Rock, we may not have had food for the event. My goal, as Master, has been to try to encourage and motivate people to get actively involved in 4th Degree programs and expand our efforts of being active assemblies and not to dwell on the past. It appears that I have not been very successful to refocus efforts to overcome the diversity that has taken over with our most recent changes. Each of us over the years has made decisions. First do I join the Knights and second how much do I become involved in the council and/or assembly. When I joined the 4th degree, I thought that all they did was Honor Guards and to be active you had to purchase regalia to be active. Though that was a big part of what my assembly did, there were a few other programs that exceeded just being in the Honor Guard.

Over time, the Order has experienced change. There is the way we receive information with the advent of social media and improved websites that provide communication, training videos and information. We are experiencing structural changes in how we do business and most significantly are the changes in how we look. Some of these changes are perceived as good, some not so good but those changes should not stop our belief that what we do is positive and inherently good that sulking or holding a grudge and being negative. Those actions will only going have a negative impact on our efforts and detrimental to our Order. My efforts have been centered on the refocusing our efforts in a positive manner through programs and move forward.

We profess to be righteous men who live by our faith and promote the good of the Order through our charitable works. We do this through the principles of charity, unity, fraternity and patriotism and by trying to live a good Catholic life. How can we do this if we spend our time holding grudges and promoting negativity. Granted there may be reasons to hold grudges. People wrong us, situations hurt us or we feel that even God does not always do what "we" think He should do. So we get angry. Why? In Leviticus 19:18 it says, "Do not seek revenge or bear a grudge against anyone among your people, but love your neighbor as yourself. I am the Lord." God is reminding us that He is the Lord, not us. Holding a grudge is setting you up as judge and jury. We need to remember that God is the judge, not us.

We tend to think that forgiving is an excuse to sin or that the offense did not matter. It is said that forgiveness is not about the other person or persons. It is a gift from God that releases us from the control of someone or something that has hurt us. Holding a grudge gives that person or persons we dislike the power over our emotions. Forgiveness is a choice to trust God rather than ourselves with the outcome. My point is this. We need to be responsible and while becoming actively involved in our Order instead of lamenting on how it used to be. Throw yourself into the activities and programs that are out there or create your own. Donating money to

programs may help, but being actively involved gives a person a feeling of personal self-worth and accomplishment.

In December, the state conducts its mid-year meeting. There is always a breakout session for the 4th degree. Instead of saying I, as FN cannot attend the session because of other commitments, actively engage a member or members of your assembly to attend in your place. Have members be active participants and share. Bring back ideas that are shared by others or provide information or ideas to others. Encourage your assembly membership to stand up and be actively involved. Do not let others dictate your actions. Do not let negativity or grudges control your life. You take control. Be a true Knight of Columbus who leads by example by leading a good Catholic life by our faith and principles of our Order.

10% More – Charitable Outreach – Volunteer Hours

This monthly feature will highlight additional opportunities to allow councils to realize an increase in their charitable work. Anyone can contribute to this feature by sending their ideas to the State Deputy.

Samaritan House Family Support Appeal

Samaritan House in Denver has been supporting families and individuals for 33 years. What you may not know is their Family Floor is in the process of being completely renovated! This extensive renovation will allow them to serve a total of 25 families (up from 21), while providing a welcoming, safe, and loving environment for families in need. They are nearing completion (end of September/early October) and need our help!

To make the renovation of the Family Floor complete, they are hoping to provide brand new bedding sets for 128 twin beds. They are seeking donors willing to "Adopt a Bed" and provide the following new items for each bed:

- Twin sheet set
 - Pillowcase
 - Comforter
 - Standard pillow (no down, please)
 - COLORS – solid blues and solid greens
 - New bedding can be dropped off at Samaritan House Warehouse (single-story building across the parking lot) through the month of October.
- 2301 Lawrence St., Denver, 80205 - 303-294-0241

Samaritan House is reaching out to the Colorado Knights of Columbus to see if this might be a possible drive/outreach for the great councils of this state. Whether adopting one bed or several, this support brings the love the compassion of Jesus Christ to families in need! Thank you so much for your time and consideration. God Bless –

San Luis Stations of the Cross

Brother Knights, as you know the Colorado Knights of Columbus has been working on the San Luis Stations of the Cross for many years and dedicated a lot of money and time to it. However the weather and time is taking its toll. We need your help to keep it clean and repair it to continue to make it look beautiful.

In 2015, we the Knights started the theater; we poured the cement slab, one of which was 24x24 the other was 50x100. The 24x24 was for the theater and the 50x100 was where we put the benches. Right now we have 38 benches that Assemblies and

Councils have donated, we still have a lot of room for those Councils and Assemblies who have not yet purchased a bench. Each bench costs \$500.00. On August 1st, 2019, Claude Trujillo, PSD started planning and selecting material to build the theater. The Charities Corporation had enough funds to start and finish it. It is awesome. You have to come and see it, for you will be proud of where your donations went.

To finish this project we need to start covering the area where the benches are currently placed. The weather is already taking a toll on them. To build this roof, we need your help and support. We do not have sufficient funding left in the San Luis Restoration account to accomplish this. We humbly ask for your full support through donations to this project, as soon as possible.

To donate to the project, please make checks payable to:

Colorado State Charities Fund

Place in the memo "San Luis Stations of the Cross"

To purchase a bench, please make checks payable to:

COLORADO CEREMONIALS

Worthy DD's and GK's,

The fraternal year 2019-2020 currently has only 2 major degrees scheduled through June 2020. The state needs you to check with your districts and councils to see if it is feasible for you to host a 2nd and 3rd degree in the upcoming months. It is vitally important for our members to experience the higher degrees in a timely manner for them to understand what it is to be a full Knight in the Order. Please check with your districts and councils about hosting a Major degree, No-Frills degree or stand alone 2nd and 3rd degrees in your area. Once you have obtained an agreement to host a degree, contact me so we can secure a date on the state calendar.

Thank you & Vivat Jesus

PUBLIC RELATIONS

Brother Knights,

Senior VP for Membership and Fraternal Mission Mark McMullen shared a message last week that represents a milestone for the Knights. He says, in part, "...our newly updated Knights of Columbus website has launched today. We will be sharing this news with all of our members shortly. The new online home of the Knights has a fresh look, with a simplified menu that makes navigating www.kofc.org and our organization much easier.

This new web site is just the first of many communications initiatives we are working on to supplement your hard work. Not everyone is aware of the scope of what our organization does each day and how we affect so many people's lives.

A redesigned website is key to supporting this outreach, and it has been structured to immediately engage a visitor and provide a clear opportunity to learn about the organization and then join. The first phase refresh incorporates a new home page and landing pages that introduce key aspects of the Knights and our mission to visitors.

...we will very soon launch a new digital marketing program that will deliver greater insights into target audiences and messages that resonate and lead to a prospect joining the Order."

I look forward to continuing to keep you posted on updates as Supreme and our Order move forward, and I hope you visit the website soon and take a look around!

Fraternally,
Stephen Sweeney
State Public Relations Chairman

A MESSAGE FROM THE STATE PROGRAMS COORDINATOR

Brothers in Christ,

Saying thank you goes a long way. We all need to say thank you to the people in our lives. The guys in our council and the families in our parish.

Honoring a Brother Knight on a monthly basis can mean and do so much for your council!! And can you imagine what honoring a family from your parish could do!! Did you know that subtle change this year in the Family of the Month program? They do not need to be related to the Knights. How great is that!! A simple gesture of honoring a family from your parish, first of all, brings your council recognition to families that may not have heard of the Knights or never really payed to much attention to the council. And, what if you get more attendance at your events and programs, or even membership!!

So, I encourage you to honor a Knight and a family each and every month. Bring your priest in the decision making process for better results and buy in.

Knight of the Month and Family of the Month forms are in the State and Supreme websites.

A MESSAGE FROM THE STATE FAITH PROGRAMS DIRECTOR

Brother Knights,

It's only October, and not yet Halloween, but it is time to think about the coming seasons and how we can prepare for them. Does your Council/Assembly have a Christmas party for people in need that might fit the Community area's description for Helping Hands? My home Council will be holding its 100th Annual Christmas Party for just such a cause this year. Consider all the w's: who (benefits), where (will it be held), why (this one is obvious!), what (theme: Christmas, winter, people in need, etc.) as you are creating your program.

Also, you might start thinking way ahead a handful of liturgical seasons. Religious education, faith formation, Sacramental preparation (or any other way your parish conceives of the education/formation process between now and the Easter Vigil) is underway. Do you have members that are participating as teachers/educators in these programs? Did you know the Supreme Council has a recommended program to "support families during the most important events in the life of the domestic church, the sacraments?" This program is called Sacramental Gifts and does not only revolve around the Easter Vigil but rather any time the Church administers sacraments. This is a great and easy way to get directly involved in the faith of your parish's members. Working with your pastor to obtain permission and his recommendations on conducting this program, you can learn how many people are expecting to receive sacraments, and order sacramental gifts (through Supplies Online, Gerken's, Erger's, or another favorite) to distribute to the recipients of the sacraments. You might also be sure and notify family members that these gifts are coming, and be sure to follow up, if possible, with a card or some other meaningful token that assures them of your Council/Assembly's prayers for them at a particularly holy moment in their life.

Vivat Jesus,
Stephen Sweeney

CHRISTMAS CARDS

The State Council is providing an opportunity for Councils to sell quality Catholic themed Christmas Cards. The Keep Christ in Christmas Card program offers Catholic Christmas cards for sale by Councils providing members and local parishioners the opportunity to purchase these Christmas Cards. This is a fundraising opportunity for councils who can earn on average a 40% profit to be used for Council projects.

All the information on the Program and how to order is located on the State Website at <https://www.coloradokofc.org/programs/faith/keep-christ-in-christmas/>

JULY 2019 FAMILY OF THE MONTH, Carl and Jan Cogar

Carl and Janis Cogar have been members of Immaculate Heart of Mary for 12 years. They met in June of 1966 at Long Beach, CA when Carl was serving in the Navy and Jan a frequent visitor to the beach. They were married on May 27, 1967. The Cogars have three daughters: Carlene (50), Kim (47) and Cassandra (40); five grandchildren: Jessica, Lukas, Karina, Kiann and Savannah; and one great-grandson named Ezekiel. Carl is originally from West Virginia. Jan was born and raised in California.

Carl joined the Navy during the Vietnam war after he graduated from Buckhannon-Upshur High School (the only public high school in Upshur County). After Carl's service in the military, he went on to attend California's Mt. San Antonio Community College, where he obtained a Certificate in Industrial Supervision. Carl worked for Pacific Bell, which turned into AT&T and finally Lucent Technologies. He held various roles and titles during the 34 years of his career, until he went on early retirement in 2000. Jan attended Sawyer School of Business in Pasadena and worked as a secretary/accountant for the Los Angeles Superintendent of schools for three years. She then left the workforce to be a stay-at-home mother and took on a full-time job of raising a family. Jan returned to

the workforce in 1986 and worked as a Career Specialist for 13 years at the Laguna Hills High School (where two of their daughters attended school). She then retired the same year as Carl and the couple moved to West Virginia to be closer to Carl's aging parents. In 2001 they moved to Colorado in order to be closer to two of their three daughters, and three of their granddaughters. Carl enjoys fishing, hiking, camping, hunting and golfing. Jan likes to spend time camping, hiking, playing Mahjongg and is an avid reader.

Carl is a Fourth Degree Sir Knight and an active member of the Knights for 19 years. He joined the Knights of Columbus because he believes in its mission to support the church and its efforts to reach out to the community and other organizations to support the laity. Carl initially joined the Knights in West Virginia where he was sponsored by Larry Frontino. He was sponsored by Jim Befort for his major degrees. Zach Politzki sponsored Carl for his fourth-degree exemplification. Carl has served the Knights in various roles, including Inside/Outside guard, Lector, Warden, three-year Trustee and District Deputy Warden under Jim Befort. Carl has participated as a membership director, initiating a one-time recruitment event at Cabrini Hall after each mass, that included refreshments, guest speakers, scrapbooks and a small video outlining the mission and history of the Knights. He also attended the Welcome socials for new parishioners to promote membership within the Knights.

Jan has been a member of the Ladies' Auxiliary for eleven years. She has served in several roles including Madam President, Secretary, Historian, children's party coordinator, Chili Luncheon chairman, team Captain for the Ladies Auxiliary Relay for Life team and Bingo manager. Jan has had various leadership roles in the Silver Threads Club, Knights annual coat drive in various parishes and Co-Chair for the Ladies Tea fundraiser. Carl and Jan lead the Relay for Life program for our Auxiliary and Council. They also served at the Discernment Luncheons at St. John Vianney Seminary and volunteered at the Knights State Free Throw contest, as well as various fish fries on a yearly basis.

Jan and Carl feel that the most important thing the Knights of Columbus do is assist the Catholic Church in its mission by helping people in the parish, community and state through various avenues and programs. They believe that the Knights are the "right arm" of the Church, while the Ladies' Auxiliary are the "right arm" of the Knights.

AUGUST 2019 FAMILY OF THE MONTH, The Barbara Fahey Family

The Barbara Fahey Family has been chosen as the Family of the Month from St. Joan of Arc Council 12392. Barb and her daughter Cyndi sold 100 boxes of peaches and pears in our annual fundraiser. This family has been no strangers to Knights of Columbus events for decades. Herb was a "Knight's Knight". He did it all from degree teams, to district deputy, to color corps commander. He inspired so many knights to be something more and Barb and Cyndi are doing their best to continue on his legacy. Our council is so fortunate to have such an inspirational family as part of it and we hope to see their continued efforts to support us in our success as a council.

The Priests presiding at the 2019 event were Fr. Francesco Basso and Fr. Bill Jungmann. The Shrine, which is the resting place of over 100 aborted children, was constructed by Knights for \$70,000, which was dedicated March 19, 2002, by Archbishop Chaput and Fr. Reycraft. This 2019 event's cleaning and preparation of the Shrine was performed by Knights and spouses of Council 14443.

The Archdiocese of Denver hosted a great event to bring back Catholic Veterans to the church. Auxiliary Bishop Jorge Rodriguez celebrated mass, the Catholic Choir from the Air Force Academy did a great job during the program and mass. The event was at the Colorado Freedom Memorial in Aurora. Rick Crandell who started the memorial was the emcee for the program.

We had 30 Sir Knights from various Assemblies from Greeley to Castle Rock attend and provided, cooked and served up a great lunch for the 250+ attendees.
