Brothers,

Its February and all is well in Punxsutawney. The Ground Hog said we're in for an early Spring. Well, for a moment, I'd like to be Bill Murray in the film *Ground Hog Day* and return to something I said back in July. A change is coming, it's for our good, and we need to welcome it, embrace it and implement it. As it turns out, we have more than a single change to implement. To change our profile, our image, we need to change our approach to growth. Buried

in the dozens of slides presented at Organizational and Midyear meetings were four words that change how we let people know who and what we are – **Invite, Inform, Invest, Involve.**

No longer do we need to ask men if they have been asked to join the Knights of Columbus, it doesn't matter. We want every man to join us, to be a part of us; it doesn't matter if someone asked him a week ago, a year ago, a lifetime ago, we want him to join with us today and if he has a family, all the better. We want him to join us, you and me, in an activity we enjoy. Maybe it's a potluck dinner or a Rosary or a family picnic or a college sports event – whatever, you just want him to join with you in doing something that's fun and rewarding. **Invite** him and his family to come along, let them see us.

When he or his wife or children ask who you are, **Inform** him/them. Tell your story - what a Knight is, why you're a Knight. Ask if this sounds interesting and if he/they would like more information. Invite him/them to meet other Knights and join in other activities. If his schedule doesn't allow, tell him about online membership and invite him to sign up to get more information. If he's not ready for that, get him signed in on your council launch page and stay in touch.

Once you've identified what he and his family are interested in, provide an opportunity for him/them to participate in an activity that fits their interests. Following that, it's time to **Invest** him. At this point get him to sign up for your council in online membership. Then invite him and his family to meet the Admissions Committee to see how the council can serve their interests and at the next opportunity invite him and his family to the Exemplification of Charity, Unity and Fraternity.

After he joins the council, and even before if possible, **Involve** him in designing and organizing activities that are engaging and interesting to himself, his wife and children.

Throughout this process the focus is not to join an organization, it's to join with you and other men and your families in the parish and share activities that are interesting and rewarding.

This personal encounter, the shift to inviting men and families to participate in our activities, letting them get to know who and what we are before they are members, is central to changing our profile and image and promoting healthy growth of our councils.

All the “new” tools that have come out: online membership, council launch pages, Delta Church Drives and the public conduct of our exemplification are good things, but the best thing is you at the center of all these, exercising the **Invite, Inform, Invest, Involve** method.

Ut Prosim,
Chris Foley
Colorado State Deputy

A MESSAGE FROM THE STATE ADVOCATE

Brothers in Christ,

With the political season ramping up, many advertisements on TV and water cooler banter all around us, it is a good idea to remind ourselves, as Knights of Columbus, what the guidelines are.

Knights are first and foremost Catholic citizens who are members of their communities and constituents of their elected officials. A citizen most effectively petitions his elected official as an individual voter. Ordinarily, there is no need to refer to one's membership in the Knights of Columbus when petitioning an elected official. The message we want to send is "I am an informed constituent who has a principled stand [against / in favor of] your public policy choices and I vote." As Pope Emeritus Benedict XVI reminded us: "It is imperative that the entire Catholic community in the United States comes to realize the grave threats to the Church's public moral witness." To help members answer this call to faithful citizenship effectively, the Knights of Columbus provides the following list of political activity "DOs and DON'Ts":

DOs

- DO become active in the political life of your local community;
- DO register to vote and encourage others to register to vote;
- DO initiate and participate in robust "get out the vote" efforts to bring voters to the polls in all primary, general, and special elections;
- DO become informed on public policy issues of fundamental interest to the Catholic Church at the local, state, federal, and international levels;
- DO become acquainted with public policy initiatives of the national conferences of Catholic Bishops as well as state and provincial Catholic conferences;
- DO study and reflect upon the teachings of the Catholic Church so as to develop a well-formed Catholic conscience – a good place to start would be to review relevant sections of the Catechism of the Catholic Church, available at http://www.vatican.va/archive/ENG0015/_INDEX.HTM ;
- DO order booklets on specific issues of fundamental importance to Catholics published by the Catholic Information Service, <http://www.kofc.org/un/en/cis/index.html> ;
- DO share with others the Catholic Church's teachings on moral issues of fundamental importance to society;
- DO advocate for Catholic positions on local and national legislative and other issues of fundamental interest to the Catholic Church. This includes participation in action alert announcements that seek to make the voices of Catholic citizens heard on legislation of fundamental interest to the Catholic Church;
- DO write letters to the editor of local newspapers;
- DO know your elected representatives and their positions on issues of fundamental interest to the Catholic Church;
- DO correspond with your representatives and let them know that you support the Catholic position on issues of fundamental interest to the Catholic Church;
- DO thank representatives for their actions taken on issues of fundamental interest to the Catholic Church;
- DO join the Supreme Council and your State Council in advocating for public policy issues. When doing so, echo the sentiments and wording the Supreme Council or your State Council have already articulated; and
- DO VOTE!

DON'Ts

- DO NOT engage in any partisan political activity in the name of the Knights of Columbus. Partisan political activity is defined as including activity that seeks to endorse or oppose a candidate or party in a campaign for public office.
- DO NOT make partisan political statements in the name of the Knights of Columbus. A partisan political statement is defined as including statements that seek to endorse or oppose a candidate or party in a campaign for public office.
- DO NOT, on behalf of your local council, congratulate or admonish public officials in the name of the Knights of Columbus.
- DO NOT, on behalf of your local council, take a position on a matter of public policy unless you are joining a position the Supreme Council or your State Council has already articulated;
- DO NOT distribute any Knights of Columbus member lists or contact information to political campaigns or to individuals running for office;
- DO NOT use an official fraternal title in connection with your personal political activity, except to convey biographical information; and
- DO NOT use Knights of Columbus facilities, including, but not limited to, email accounts, social media, fax machines, letterhead and the like, in connection with partisan political activity.

If you have any further questions and/or would like to review this in more detail, please do not hesitate to contact me.

MASTER'S KNIGHTLY NEWS

We are into the New Year. It is time to roll up your sleeves, if you have not been doing so, and get to work. Two major events for the 4th degree are coming up. First and foremost is the 4th Degree exemplification scheduled for February 22, 2020. This special date is the 120th anniversary of the 4th Degree to the day. I have been promoting this degree since September of last year so it should not be some new news. There will be a special certificate issued to those that receive the degree on that day but it is just a superficial aspect of the degree. We have an opportunity to grow the 4th degree in this state in a big way. We need to put aside the ill feelings and anger that our beloved old regalia has been retired. This country is in the throes of political turmoil and we as Catholic men need to step up as an Order and right the ship.

Instead of complaining, let us take hold of the reins. Issues affecting our church, our veterans, our priests and bishops abound. Reaching out in various ways to show them support would be a good way to vent pent up emotions for a good cause. Patriotic issues surround us in society today. Our veterans suffer from the societal issues of today to include homelessness, suicide, mental health issues and more. Our state has over 18,000 Knights yet only 4,400 are 4th Degree Knights. Let us move on and change this climate. With the advent of the combining of the lesser degrees, we have an opportunity to recruit members immediately into the 4th Degree. Gone are the excuses of being only a 1st degree and not having the time to take their major degrees or there are no major degrees being held in my area. Go out and recruit and expand your abilities to grow your assemblies promoting programs and being involved. February 22nd gives you that opportunity so do not hesitate and seek out members of your respective councils and help us grow.

The second major event is that this year there is a biennial meeting to be held. This meeting is usually held sometime in March or April. What I am in of is for an Assembly to step up and host this meeting. The last biennial meeting was held at the Greeley Council Hall in 2018 and was attended by approximately 82 members. Assemblies should have their FN in attendance as their 1st delegate and an assembly is entitled to 1 additional delegate for each 100 members or significant part of a hundred, i.e. 125 members would warrant a total of 2 delegates or 175 members would warrant 3 delegates, etc. I will send out a notification as soon as I can secure a location. Please consider hosting this important event. The meeting usually runs 3-4 hours dependent on agenda items and this year it will be necessary for our District to submit three names for consideration for the next District Master. My most recent communication with Supreme indicates that they want Districts to make a concerted effort to submit 3 names.

Finally, I want to remind assemblies about getting their paperwork submitted. The annual fraternal survey, Form 1728, is due the end of January. Assemblies must submit this form and not rely on their respective councils to include their hours on their forms. The 4th degree hours need to be tracked separately. I know that the form shows both council and assembly hours but consider the fact that most of our assemblies support multiple councils and in those instances either each council is submitting the same or similar hours but more likely, no one is tracking the hours for the 4th degree or they are incorporating the hours in the council hours. Take the time to fill out the paperwork. Two other reports that are coming due include the Civic Award application and the To Be a Patriot Award. The TBP award is due to the District Master by April 30th and the Civic Award application is due to Supreme by June 30th. I would also ask that assemblies send me information on events they have held each month with photos if they are available. This allows me to provide the monthly report the VSM has requested that each Master provide to him for the Provincial newsletter. Let us step up and be active to grow our 4th Degree.

A MESSAGE FROM THE STATE PROGRAMS COORDINATOR

Guess what day it is...it's Fish Friday!!!! Well maybe not today, but it's coming we'll see our first Fish Fry's on Friday Feb 28th. A great tradition of many councils across the state and the country! But just like our pancake breakfasts, they are more than just a Fish Fry. Many councils will raise money during these events for great causes. If your council is one of them, let people know what your raising money for. Use your church bulletin, a bulletin board in the church, social media. The events are a great way to include the whole family and to recruit new families to your council!!

The past few years we have promoted Fish Fry's at various parishes put on by the Knights. If you have not already, share with me your Fish Fry, soup dinner all events!!!

If you have not sent in your forms, that were due Feb. 1st, I will still accept Programs forms. Please email them to me to clarkmusser69@gmail.com. Let's get those forms in, we would love to see all councils in Colorado submit forms. Make me work!!! We will see the results of these forms at our State Convention in April, see you there!!!

A few reminders...

- Promote your events
- Include the whole family
- increase your programs by 10%
- Recruit at your events
- Send your event/program information to the State Programs Coordinator
- Fill out the program form that coincides with your event
- Include a Faith element in all of your programs/events

A MESSAGE FROM THE CEREMONIALS COORDINATOR

Greetings Brothers,

Now that the new Exemplification of Charity, Unity and Fraternity has been rolled out by the Supreme Council your council needs to be prepared to move forward with a highly effective team. Grand Knights should utilize members that have a great speaking and reading ability. Since there is no memorization required for the new degree, there should be no apprehension in volunteering for the degree team. Once you have a team identified, the members should begin practice ensuring their presentation is professional and done with dignity. The state council has demonstration teams to help districts show their councils how the degree should be performed. Contact the Ceremonials Coordinator Jim Caffrey at jimcaf@comcast.net or 303-257-7664 if you would like a team to conduct the degree in your district to demonstrate how it should be done. Supreme has identified eight steps necessary for a successful exemplification and they are listed as follows:

1. Meet with your council chaplain or local pastor.

Obtain your pastor's and chaplain's recommendations on conducting an Exemplification of Charity, Unity and Fraternity. Ideally, select a date when one of them can attend and lead the prayers during the ceremony. (If no priest is available, the presiding officer may lead the prayers.)

2. Select a date and secure a location.

Preferably, the exemplification will be held in a Catholic church following Mass.

3. Obtain degree materials, candidate kit (#531) and Baldrics.

Make sure you have the equipment necessary for a successful degree.

4. Select an honoree.

Selecting an honoree is optional. If one is chosen, let the honoree know the date and time of the event.

5. Promote.

Build public interest in the upcoming exemplification in your parish and larger community via your parish's and council's bulletins, websites and social media pages. Include mention of the honoree(s).

6. Plan a reception.

Host a social event after the ceremony so that everyone can meet the council's newest members and their families.

7. Invite brother Knights to attend.

Invite all council members, their families, your district deputy and your field agent to attend.

8. Practice.

Conduct walk-throughs so that all exemplification personnel are comfortable in skillfully presenting their parts in a solemn and dignified manner. Following each exemplification, financial secretaries should present a Membership Card to each of the newly advanced members. Councils should also complete the Ceremonial Report Form (#450). Submit the form to ceremonials@kofc.org.

A MESSAGE FROM THE COMMUNITY DIRECTOR

My Brother Knights,

It's February already! That means District Free Throws should be held for all Districts who had more than one Council participate in the Council Free Throw Contest. Please let me know as soon as possible if you need District Medals. I will be happy to send them to you. My email address is dsd80110@comcast.net. Please provide a good mailing address in your request.

Council Grand Knights! If your Council is going to have a Free Throw Contest in the month of February Supreme will not recognize it. Council Free Throws are held in the month of January and there is a form due at the end of January for your Council to report your participation in the Free Throw Program for this Fraternal Year.

The State Free Throw Contest is March 28, 2020, at Holy Family High School, 5195 W. 144th Ave. Broomfield CO 80023. Staggered start times will be used for the State Free Throw Contest. Please check the state website calendar for start times for each age group.

Worthy Grand Knights, if your Council participated in the Catholic Citizenship Essay Contest please get your entries to me right away. Please include your District Number with your submission. If the district in which your Council is part of had more than one Council participate your DD needs to have submitted the winners from the District level to me. Please consult your District Deputy to see if that was done. I need to have my winners submitted to Supreme by February 15, 2020. Councils needed to have submitted the Catholic Citizenship Essay report by the end of December 2019 to Supreme.

Worthy District Deputies, if you had more than one Council participate in the Catholic Citizenship Essay contest, I need your winners as soon as possible. You can send them to me via email at dsd80110@comcast.net or by mail. That address is:

My email is listed below and you can also reach me directly on my cell, 303-995-0854. Please share your unique Family activities with me so that we can share with our Brothers across the Jurisdiction. This is my first article for Knights Call so it's important that you know my communication with you will cover two key messages each month.

Key Message #1

Please submit your Council Family of the Month Submission using Form 10668 to me by the 15th day of the following month (i.e. the January 2020 submission will be due by February 15th). District Deputies will be receiving more communication on this project in the coming weeks. Please look for further details on this exciting program as it evolves and we encourage your Council participation.

KNIGHTS OF COLUMBUS®

DECEMBER 2019 FAMILY OF THE MONTH

The December 2019 State of Colorado Knights of Columbus Family of the Month is Vince and Betty Sheetz.

1. Vince and Betty serve together. Every week they act together as co-ordinators for the 8am Sunday and Holy Day Masses at St John XXIII. They greet all who enter the Church and assure the presence of sufficient Extraordinary Ministers Of Holy Communion (EMs), Lectors, Gift Bearers, and Ushers. Both often serve as Ems, Lectors, and Ushers.

2. Vince and Betty contribute to the Parish and Church Community. They financially support the St John XXIII Parish, the Catholic Foundation, the Archdiocese of Denver, and the Fort Collins St Joseph Catholic School. Vince is currently a member of the St John XXIII Parish Finance Council and Betty the Parish Building Committee. Both are instrumental in assisting with the planning and fundraising for the new Church which will go under construction in 2020.

3. Vince actively supports Council 11140 and Fourth Degree Assembly 279. Vince is currently the Treasurer of Council 11140 and past Faithful Navigator and current Trustee and member of the Color Guard of Assembly 279. He actively assists at council and assembly meetings and events. He participates as a member of the Color Guard in at least 12 events (funerals, patriotic celebrations, and church events) each calendar year.

So you ask, do Vince and Betty serve as a model of Catholic family values? You bet. Just stand and watch Vince and Betty as they serve together as coordinators at Masses. You will see the parish community respects them for their positive influence in the Parish, the District, and Archdiocese. They are recognized as a tight-knit family with strong Catholic values. They will be honored at the Council Pancake Breakfast on January 5th, 2020, where Father Rocco and Worthy Grand Knight Kyle Ester will present Vince and Betty with the December 2019 Family of the Month certificate.

KNIGHT OF THE MONTH

November: Michael Majeres - 9597 : Michael Majeres is the driving force that keeps the Our Lady of Fatima Council 9597 going. He is constantly providing proper direction to the Grand Knight during meetings and activities to stay within the Knights by-laws and requirements. He has headed our effort to maintain a team for our exemplification for the First Degree, and most importantly is our pipeline to the state council for information we need to stay on top of our many activities. He is truly tireless in his efforts to make Council 9597 the best that it can be.

December: Joseph Zibrick - 12392: Joe Zibrick is a Past Grand Knight of the council and our current as well as former District Deputy. He goes above and beyond the call of duty and our council recognizes the hard work that he does far from the lime light. Joe has helped set the course for this council to be successful via his leadership and hard work since he joined the council. Though he has taken on different roles with knights this year his endless devotion to the council newsletter is still very evident. He puts the newsletter together very quickly because without fail his grand knight usually turns stuff into him behind the eight ball. His newsletters are opened and read by at least 60 council members and several others that receive hard copies. Our improved communications are now allowing us to see how many people actually read the newsletter and over the last year readership has almost doubled. This is in thanks to people getting the word out about the reading it and the constant improvements Joe tries to implement in it. Joe may be the newsletter king, but he is also a burrito master. He has been making burritos for our pancake breakfast for years and was part of a innovative idea this past month to make our burritos on Saturday afternoon and sell them after the 5 pm mass. We made 30 burritos to test the waters and sold out easily. This was very successful and would not have been possible if Joe hadn't taken some extra time and given up his Saturday afternoon to make something our council has done for years better. Joe does far more than just this but he does these things very thanklessly and deserves to be praised for his strong efforts. We therefore as council 12392 thank Joe for all his hard work and devotion to the knights by making him the knight of the month for Dec 2019.

Council #11575 Teaches Catholic Academy students about construction

From March to August 2019, members of the council's "Woodchucks" woodworking team, as part of Our Lady of the Valley Council #11575 in Windsor, Colorado, taught basic skill woodworking classes to elementary students at Sacred Heart Academy in Eaton, CO. This program included two phases:

(1) 8 sessions of classroom teaching of elementary school children on basic hand tools, construction methods, and small projects to stimulate student interest in wood working.

(2) With allocated council funding for building materials, and search for donated materials, the Woodchuck crew built a scaled down "play church" on the academy campus, providing child learning and participation in all construction trades, plus a reverent space for them to set up interior church-like furnishings to simulate Holy Mass on a scale sized down for kids.
